

ENERGY RISK MANAGEMENT FORUM

The Future of Energy Risk Management

New York, NY • July 16, 2009

In conjunction with the launch of GARP's Energy Risk Professional (ERP™) program, GARP is hosting a series of discussions themed around energy risk management. This is an opportunity for energy professionals to learn and discuss the important topics shaping the future of energy risk management.

We are proud to announce our New York Energy Risk Forum:

When: Thursday, July 16, 2009, 5:30 – 7:30 PM
Registration opens 5:00 PM
Reception to follow

Where: The Reuters Building, 30th Floor, Carnegie Hall Auditorium
3 Times Square, between 42nd Street and 43rd Street
New York, NY 10036

Registration: FREE! Register online at: <http://www.garp.com/membership/onlineregistration.aspx>.
You must be a member of GARP in order to register. It is FREE to join our organization.
Please visit: <http://www.garp.com/membership/benefits.aspx>

Discussion Topics:

- Current events in energy risk management—where are we now?
- The next generation of energy risk: the importance of standardized energy education
- Risk management, financial reporting, changes to the industry
- Strategies to mitigate the risks in light of global energy fluctuations

For more information, or if you have trouble registering, please contact Jessica Waverka at jessica.waverka@garp.com.
